

WEST MORRIS MENDHAM HIGH SCHOOL

65 EAST MAIN STREET
MENDHAM, NEW JERSEY 07945

DIGITAL SIGNUPS OPEN ON MAY 15 FOR FALL: Don't forget to switch to the 2017-2018 school year

Dear Athletic Parent,

Mendham High School is using digital registration of your athlete for all sports. You must register your athlete for the sport they are participating in through the link:

<https://westmorrismendham-ar.rschooltoday.com/>

If you have not done so, please create a new account (by clicking on the Athletic Team Registration icon). **If you have an account**, please log in at the Athletic Team Registration icon. Your athlete's student Identification number is not required but helpful. Also, it is important that you register with the athlete's full name, not nicknames (ie. William not Billy). There is a space to put their nickname in (not necessary), when registering. In order to complete the registration, you must check that you have completed all required (all fields designated with * must be filled in). If your athlete is a **Freshman**, please register them on the *Freshman team* for that sport. If they are in **10-12th grade** register for *Varsity* in that sport.

1. Athlete Registration.
2. One parent/guardian information form (you can do two if you wish).
3. Sports related concussion information.
4. ImPact Testing information and completed the on-line Baseline test at www.impacttestonline.com/schools. School Code:9FDA94B402.
5. Read Sudden Cardiac Death in Young Athletes Pamphlet.
6. Read Code of Conduct.
7. Read Scholastic Student Athlete Safety Act.
8. Read Eye Injury
9. Sign (both Athlete and Parent) Random Steroid Test from NJSIAA return with Physical Info.
10. Add a digital signature by you and your athlete (this signifies that you and your athlete understand and will comply to all of the stated information/rules).
11. **Your athlete will not be cleared to play until all of your physical forms are handed to the nurse in hard copy format and cleared by the doctor. (One set of hard copies for this school year).**

A YouTube video to help in the registration process are provided at the link below:
