

SUBSCRIBE TO TEAM CALENDAR

Within LeagueAthletics.com, you have the ability to sync teams' schedules with your calendaring program, such as iCal, Outlook, and Google Calendar. The steps below show you how to do this. On your device (phone, tablet):

1. Navigate to a www.tickslacrosse.com
2. Make sure that you are on the **FULL SITE** not the mobile site. Choose **TEAM**. Choose Multi-Schedule.
3. Choose the team(s) that your players are on. Then hit **SUBMIT**.
4. Tap on Options in the right-hand side of the screen. Choose **Calendar Feed**.

The screenshot shows the LeagueAthletics.com website interface. The top navigation bar includes Home, Teams & Schedules (highlighted), Facilities, Coaches, Contact, and Team Shop. On the left, a sidebar menu lists options like Contacts, Schedule (highlighted), Roster, Documents, Results, Statistics, Standings, and Multi-Schedule. The main content area displays the 'Jarrettsburgh Schedule' for the year 2015, Boys 9-10, Jarrettsburgh. A table lists game dates, times, details, events, and locations. An 'Options' dropdown menu is open, with a red arrow pointing to the 'Calendar Feed' option. Other options include Direct Link, Outlook CSV, Print, and Get the app!

5. Finally, in the modal that opens up, click on the calendaring program you use. This will open the feed address in your calendaring program. You can also right click on the icon, copy the link and paste it into the calendaring application of your choice.

The screenshot shows a 'Select a service' dialog box. At the top, there is a 'Headsup!' message: 'Issues have been reported from Google's calendar team in this forum. You can attempt to add the webcal feed manually to Google with these steps.' Below this, a URL is provided: 'webcal://LeagueAthletics.com/Feeds/Cal/?teams=449253&orgmarkk'. Three calendar icons are displayed: Google (blue icon with '31'), iCal (calendar icon with '17'), and Outlook (yellow envelope icon). Red arrows point to each of these icons. The background shows a portion of the Jarrettsburgh Schedule table from the previous screenshot.
