

Rendering of Medfield Youth Baseball & Softball's proposed Swain Concession Stand to be located at Metacomet Field

1 FLOOR PLAN
SCALE: 1/4" = 1'-0"

Hundreds of MYBS families would agree—a concession stand has long been the one missing piece at Medfield’s showcase Metacomet Baseball Field. Imagine the Metacomet experience enhanced by a hot dog dinner to tide the family over during a 6pm game, or a hot coffee to make a chilly April game more enjoyable, or a cold soda to beat the heat during summer ball. Now, this concession stand dream is becoming a reality—thanks in large part to a generous, kick-starting donation from the family of the late Doug Swain, a 43-year Medfield resident and a longtime, dedicated coach and supporter of youth baseball. Plans are to break ground on the Swain Concession Stand this spring. But we need your help to get the project to the finish line. Please consider making a tax-deductible donation to the project—
