Good Morning Cheer Families,

We have received a number of inquiries regarding expenses/costs for this season (UCA Camp, practice clothes, etc). We thought it would be beneficial to provide a breakdown of costs per team. The fee sheet that was published prior to the current season will be updated to reflect these changes.

In an effort to keep costs down year to year, the decision was made to ensure practice clothes (for sideline teams) were the same for all teams. By purchasing "higher quality" items from Varsity, which are admittedly more expensive than in years past, the girls would not need to purchase new practice clothes year to year (unless lost or different sizes are required).

It was also determined, after much feedback from many cheerleaders, that the 2-to-3-day UCA camp was not time well spent. The decision was made to hold a 1-day UCA camp rather than multiple days. The reduced cost of the camp was reduced and has been divided evenly among the participants.
