SKATE SUPPORT CELEBRATE

The mission of the Arlington Hockey Club is not only to develop successful hockey players, but also to instill a strong sense of community with our teams by participating in events to benefit local organizations.

We are delighted to partner with The Children's Room (TCR), a nonprofit organization that creates safe, supportive communities for children and teens who have experienced the death of a close family member, typically a parent or sibling.

On Saturday, September 29th the Arlington Hockey Club is hosting the 7th Annual Skate-a-Thon to benefit TCR. Members of the Arlington Hockey Club, as well as skaters from other communities, are invited to participate. This fun event will help raise critical funds to help The Children's Room continue to provide its services. Please help us support them.

100% of donations received from the Skate-a-Thon will go directly toward funding essential programs of The Children's Room.

ABOUT

THE CHILDREN'S ROOM

Located in Arlington, The Children's Room (TCR) is the leading nonprofit bereavement organization in Massachusetts dedicated to creating safe, supportive communities so that no child, teen, or family has to grieve alone.

Families from more than 110 communities have participated in TCR programs. At The Children's Room, children, teens, and adults can tell their story, express their feelings, and receive support from understanding peers, bereavement staff, and professionally trained volunteers.

The Children's Room offers ongoing peer support groups at its Arlington center, in area schools, and at community-based organizations, such as the Boys & Girls Club. TCR educates the community on issues related to grief and loss through its teen programs, educational series for parents, workshops, trainings, and consultation services. The Children's Room also provides referrals and resources to families seeking additional services.
