Hi everyone,

Reminder that our next board meeting is Monday, December 9th at 7:30p at the Sr. Center.

Following is the list of current agenda items:

- Meet candidates and vote to fill vacant positions
- Secretary's report
- Action Item Status
- Treasurer's report
- Major Initiatives progress report
- Discuss Hosting summer B tournament
- Registration Update
- Review action items & dates for two upcoming months
- Adjourn

I believe this will be a healthy agenda for our December meeting. If there are any additional topics that people would like added to the agenda, please e-mail me and we can determine criticality of adding to the agenda for this meeting or future meeting agendas.

Please note: the minutes from our last meeting had an action item about discussing summer selection process and Williamsport selection process at our December meeting. Given the amount already on the agenda and the fact that we needn't make any final decisions regarding these two items at this time, I am recommending postponement of these items to our January board meeting.

Finally, I'd like to suggest we reconvene at Jake & Joe's (a league supporter) for a some holiday cheer following the meeting. Obviously, optional...but for all the time we spend together discussing the issues of youth sports, we ought to be able to come together and raise a toast for the good that actually gets done. Do I hear a second on that motion? ;)
