

Coaches Selection Process

League coordinators circulated a request for any spring coaches that were interested in being considered for a summer coaching position. Those requests were sent out in advance of the summer evaluations and/or team selections.

After the summer teams are selected, those who requested to be a candidate for a head coaching position are contacted by the league coordinator. At that point, an attempt should be made to reach a consensus among the coaching candidates and the league coordinator as to who will be the head coach. If all parties reach agreement on a candidate, the coordinator then will recommend that candidate to the WLL Board for their approval.

If all parties can not reach agreement on a candidate, then each candidate for a head coach will attend the WLL Board meeting for an open discussion of qualifications, etc. The WLL Board will then vote to determine the head coach.

Once the head coach is selected, the head coach will notify the coordinator and the WLL Board of the assistant coaches for their approval.
