I am a claims Auditor for an healthcare company. I have volunteer for our current board for the last 7-8 years ranging from President, VP, Training coordinator, Trainer.

Why are you interested in serving as a board director for the NCWLO? Why should you be considered for the NCWLO board?

I am interested in serving because I want to see the group continue the upward path it's on. I want to continue to provide leadership and my experience with the board as I have in the past.

Which board statutory positions, committee or other positions would be of primary and secondary interest? Note what in your background would make you qualified for each position.

I am interested in VP or Training: This is a position I currently hold and have held in the past. I have good leadership skills and I understand the rules and how to effectively get through to most officials.
