Describe your lacrosse related experience:

I have been playing lacrosse since the age of 5. I grew up in Maryland with lacrosse being the sport of choice. I played recreational lacrosse from age 5 until high school, where I then played on my high school varsity team for 4 years. In college, I played for fun at a club level.

Since moving to CA in 2015, I have been coaching with the Diablo Scorpions for about 3 years. I also play at the adult level with Verve lacrosse, when I can. As of January 2018, I became an official for the game as well.

Describe professional and/or volunteer experience:

In addition to the coaching listed above, I also serve on the following volunteer committees/positions:

- NCWLO: Vice President
- Zeta Tau Alpha East Bay Alumnae Executive Committee: Vice President III - Service

- Zeta Tau Alpha: Membership Advisor & Panhellenic Advisor to ZTA Upsilon Chapter at Berkeley
- Vista Grande After School Enrichment Coordinator
- Vista Grande Co-Auction Chair 2019
- Vista Grande Executive Producer of Vista Grande Television
- East Bay Dance Company Fundraising Coordinator & Team Parent

Further in my professional career, I am a certified fitness trainer and nutritionist, that works in a number of capacities from strength & conditioning coach to student & adult athletes, to an exercise therapy specialist to those that have graduated from physical therapy, to an overall fitness trainer helping those make healthier changes to their lifestyle and achieve their goals.

Prior to that the above, I've also worked in different careers from maritime shipping operations to management consulting.

Why are you interested in serving as a board director for the NCWLO? Why should you be considered for the NCWLO board?

I love the game of lacrosse and enjoy being part of a group that fosters the love of the game, while also working with the individuals that help keep the game safe and a steady flow that keeps it fun for the players.

I enjoy giving back to my community, and giving back to a sport I love. I enjoy collaborating and working with others, while additionally taking the lead on projects if needed. I am organized and responsive in addition to being a hard worker.

Which board statutory positions, committee or other positions would be of primary and secondary interest? Note what in your background would make you qualified for each position.

I would be happy with any position on the board except for treasurer or webmaster. I currently serve as Vice President and on the training committee and thoroughly enjoy those positions.

In all the volunteer positions and jobs I have had, or currently hold, all involve working with people. I thoroughly enjoy working with others in both a learning capacity and a training capacity. I have been in positions of both being able give knowledge as well as receive knowledge from others which has helped grow me as an individual. I am a firm believer of continual education, thus knowledge sharing is never ending, which I believe will help grow this board as well as the game of lacrosse.
