Attendees: Kristen Andrea, Anthony Grieco, Joe Breen, Mark Duquette, Sean O'Keefe, John Shreenan, David Williams, Herb Post, Marty Kusmaul, Diane Morris

General Discussion:

Members brought forth questions on team numbers and placement for next season. Plan is to have second year mite players in the Tri-valley league and first year mites play cross ice. The number of kids on both teams would be appropriate based on where they are placed.

Request to have 2 mite players move to squirt level. Both have already played at the mite level for 2 full seasons.

Concern over the size of the squirt teams for next season. Coaches would like to see 10 skaters to maximize ice time.

All decisions regarding team sizes is based on the number of players for next season.
