In-House Rules

SECTION 1: MYBA EVALUATION AND DRAFT PROCEDURES

The MYBA Board will set a date in Mid-March, three to five weeks after Registration, for In-house player evaluations. The following day will be the In-house Draft. Maverick, Mustang, Bronco and Pony Leagues will hold evaluation. Note that the Pinto League will not have an Evaluations. The Colt league may postpone, and have its evaluation prior to the beginning of its season in order to conform to IHSA Rules.

The League Rep. will assemble a list of coaches and assistant coaches for his league. Coaches may choose one assistant to help with the evaluation and draft. Coaches who do not have assistants may be assigned one from the League Reps list. No team will have more than one assistant before the draft.

Coaches from the next older League will be asked to help evaluate the League under them. I.e. Mustang Coaches will help evaluate Maverick League, Bronco will evaluate Mustang etc. In addition, MYBA Board members will evaluate each league.

Pinto League Coaches will meet on Draft day, and will discuss team selection and player requests. The League Rep. will discuss Pinto League Rules and MYBA guidelines as contained in the Coaches Handbook (Articles 19 through 23 of these By-laws.) Players will be assigned teams via preference, if possible. Coaches will then draft by familiarity, then by random selection.

Maverick League will meet on Draft day, and will discuss team selection and player requests. The League Rep. will discuss Maverick League Rules and MYBA guidelines as contained in the Coaches Handbook (Articles 19 through 24) of these By-laws.) Players will be assigned teams via the draft procedures in the following paragraphs, with the intent to honor requests for team placement.

1) The MYBA Board of Directors (League Rep and Board Evaluators) will choose the top group of players and the 2nd best group of players based on their performance at the evaluations and/or their known ability of the individual player. The number of players in a group will equal twice the number of teams in the league. (i.e. If there are 12 teams in a league, there will be 24 players per group.) All players will be listed on the draft board in the "top group", "2nd group", "field" and non-evaluated.

2) Coaches will examine the player draft board. If the coaches feel that an error exists concerning the ranking of any individual player, they must voice their concern BEFORE the draft begins. The majority decision of the coaches will rule. Non-evaluated players will be discussed, and may be ranked according to coaches' vote.

3) Coaches will draw cards for choosing their team #/name, with the lowest card drawn choosing 1st. The Ace is the lowest and the Joker is the highest. NOTE: If a coach is in his 2nd year in the same league, he has the right to keep the same team name as in the previous year. The team # will correspond to the team # on the schedule.

4) Coaches will draw cards to determine the order for drafting players. Cards drawn will be used in two rounds of selection. Once again, the Ace is the lowest card and the Joker is the highest. The Ace will select 1st, the two will select 2nd and so on. The highest card will select last, as well as have the 1st pick in the next round. The 2nd highest card will have the next, pick, and so on back to the Ace having the last pick of that round. After each team has selected two players, the cards are returned to the deck, shuffled and redrawn for the next two rounds. This procedure continues until all the players have been selected.

5) Coaches are required to attend the draft.

SECTION 2: SPECIAL RULES ON DRAFTING

1. SELECTION OF COACHES CHILDREN

- A. If a coach (head or assistant) has a child in the top group, that child must be selected in the 1st round. If both coaches have children in the top group, one child must be selected in the 1st round and the other must be selected in the 2nd. Under all circumstances, all coaches children ranked in the top group must be selected BEFORE any other player is selected for that team.
- B. If a coach (head or assistant) has a child ranked in the 2nd group, that child must be selected in the 3rd round. If both coaches have children ranked in the 2nd group, one child must be selected in the 3rd round and the other in the 4th.
- C. Any coach's child not ranked in the top or 2nd group must be selected in the 5th round or in the 5th and 6th rounds if both the coaches children are in the "field".
- D. Any coaches child that is a "non-evaluated player, may be ranked in the "top group", or may be ranked lower according to a vote of all the coaches.

2. DRAFTING BROTHERS

- A. All brothers will play on the same team if they so desire
- B. If the 1st brother is drafted in rounds 1, 2, or 3 and the "other" brother is ranked in the top or the 2nd group, the "other" brother must be drafted in the next round. If the "other" brother is in the field, he must be drafted in the 5th round. If the 1st brother is drafted in rounds 5-14, the "other" brother must be drafted in the next two rounds. NOTE: "Other" brother is defined as ALL brothers in case more than two brothers exist in the same league.
- C. If only two rounds remain and a pair of brothers also remains on the board, the team drafting the 1st brother automatically has the "other" brother as their final choice.

MYBA's #1 Priority

SECTION 1:

Batters, on deck batter and base runners must wear protective helmets at all times -- even when advancing on a base-on-balls, or hit by a pitched ball. A player that intentionally removes his helmet before a play is completed will be ruled "OUT" by the umpire.

Non-batters must stay clear of the batting area. Except for the batter, the only player to be swinging a bat is the "on deck" hitter, and then, only while in their own on-deck circle.

Catchers must wear a face mask, chest protector, shin guards, catcher's helmet, and a protective cup. When a catcher warms up a pitcher, they must wear at least a mask whether they are on or off the field of play.

All players, when not involved in an aspect of the game, should remain in the dugout. Players should not make unnecessary trips outside the fenced playing area.

Use of any tobacco products, on or around the playing field by coaches or players is prohibited.

Except for sunflower seeds, gum, and water, eating and drinking in the dugout or on the field is prohibited.

It is recommended that all boys wear a protective cup, especially for **Maverick League through Colt.**

It is mandatory that all catchers in **Maverick through Colt** wear a protective cup.

The wearing of metal spikes is prohibited in all "In-House" league, Mustang Traveling (U-9, U-10) Team and Bronco (U-11, U-12) Traveling Team games. Baseball shoes with rubber cleats are acceptable.

Baseball Shoes with metal cleats will be prohibited in the Pony In-House League. The U-14 and above Traveling Teams, and the Colt In-house league will be the only M.Y.B.A. teams allowed to wear baseball shoes with metal cleats.

SECTION 2: General Rules Governing League Play

The governing set of rules for league play is the "National Federation of High Schools" (NFHS)

The following are special MYBA rules that apply to the Pinto, Maverick, Mustang, Bronco, Pony and Colt Leagues. They are divided into general and league specific rules. If a rule is not found in the MYBA rule book, NFHS rules will apply.

SECTION 3: Affiliate Relationships

- An "affiliate: is the team with the corresponding color uniform in the league immediately below and above one another.
- In case of player shortages, members may be called up from an affiliate team to fill those shortages on a game by game basis.
- No team shall be required to send players to an affiliate team if it would mean shorting their own team during a game.
- It is the responsibility of the coach providing the player to determine which player (s) will be sent.
- In the event an affiliate team has a game scheduled and cannot send a player to the requesting team, the coach must contact his league representative to obtain a replacement player (s). If the league representative is unavailable, then the coach shall call the other assistant league rep. (MYBA President) in order to make the arrangements for a player to be brought up. A coach should never contact a player directly without going through that player's coach!
- A Maverick affiliate player must be an 8 year old player. Under no circumstances will a 7 year old player be allowed to play up in a Mustang league game.

- The number of players available for a game determines the number of players that can be called up from a team's affiliate: If 9 players will be available, 1 player may be "called up". If 8 players will be available, 2 players may be "called up". If 7 players will be available, 3 players may be "called up". This pattern continues with a maximum of 5 players being called up.
- Affiliate players may not pitch for a team they have been called up to.
- Affiliate players must bat last in the starting batting rotation. If team players arrive after the game has begun, they will be placed last in the batting order.
- An affiliate player must be played according to the participation rules for each league.
- An affiliate player may not be started in place of an available regular player.
- An affiliate may not be played more than a regular player.

SECTION 4: Appeal

Although we are playing by NFHS rules, the In-House leagues will not use the appeal.

SECTION 5: Batting Order

The MYBA uses a consecutive batting order in all In-House leagues. All players present shall be placed in the score book lineup before the start of the game and the batting rotation must include each player, whether the player played in the field or not. When a player arrives late, the player will be added to the bottom of the batting rotation. The player cannot sit more than one consecutive inning after his arrival.

SECTION 6: League Representatives

Each league will have a representative from the MYBA Board. It is the responsibility of the League Representative to coordinate all play within his respective league and to assist his coaches whenever possible.

SECTION 7: Legal Team Roster

- A team must have 7 or more players to start and continue a game. Player 8 & 9 positions left vacant will be recorded as automatic outs each time they come up in the batting order. If additional players arrive after the start of the game, they will be placed into the batting order in the 8 & 9 positions.
- If during the game, a team drops below 7 players, that team will be required to forfeit the game, no matter what inning the game is in, or what the score is. If a player is ejected, or injured, and the team roster falls below 9, that batting position will be recorded as an out in the batting line up.

SECTION 8: Length of Games

- A game is considered a complete game if it is called for any reason after four (4) innings have been completed or if the home team has scored more runs in three (3), or three and one half (3 1/2) innings, than the visiting team has scored in their four completed innings. For Bronco, Pony or Colt the number of innings are five (5) and four (4) or four and one half (4 1/2).
- If a game is called for any reason before it is a complete game, as described above, or when the score is tied, it shall be considered a suspended game, and is to be resumed from the point of curtailment at the time scheduled by league officials.
- The home team score keeper should record the inning, batter, outs, time remaining, lineups, battery, etc. If an affiliate player participated in a game that became a suspended game he/she may be called to participate in the conclusion of the game if he/she is needed.
- If a game is called for any reason in an uncompleted inning, after having reached "complete-game" length as described above, and the visiting team ties the score or takes the lead in the current inning, and the home team

has not tied or retaken the lead in their portion of the uncompleted inning, the game shall be a suspended game and is continued from the point of curtailment at the time scheduled by league officials.

- No new inning may begin after the time limit has been reached. This includes the time of delays. An inning is considered to begin immediately after the previous inning is completed -- the third out is made. The official time shall be kept by the plate umpire.
- During night games, when Morton School District 709 has school on the following day, no inning will start after 10:00 p.m. The game will be suspended and will be continued at another time scheduled by league officials.
- Warm ups will be performed in outfield grass, or outside of playing area prior to the game if time allows. Infield practice will be minimized on lined field, unless agreed upon by both teams' coaches. Infield practice will be limited to 5 minutes for each team if time allows.

SECTION 9: Questions and Concerns

Coaches and assistant coaches should direct all questions, complaints, or other problems to the attention of their league representative. If not satisfied, a coach should contact the all leagues representative - (MYBA President). The board of directors is available to assist in any way to resolve questions or concerns. Please feel free to call them at any reasonable time.

ARTICLE 30

TRAVEL TEAMS

SECTION 1: Selection of players for the U-9, U-10, U-11, U-12, U-13, U-14 and other travel teams (including U-15 and above)

- A. An impartial selection committee (see below) grades players at a special try-out at the end of each season and selects nine (9) players for the upcoming season. The travel team coaches will select the remaining 3-6 players, for a total of 12-15 players on the team. During the season, the traveling team coaches have the option of calling up a player from the In-House league. The coaches will select these players.
- B. The player may be called up if they do not have an In-house game which would conflict with the traveling team game.

The Head Coach of each team will select two tryout dates for evaluations, and will assemble a

Selection Committee for the evaluations.

The Selection Committee will consist of at least two (2) MYBA board members and one (1) other person not on the MYBA board. Every attempt will be made to assure that the members of the committee do not have a player that is trying-out. The Board recommends that the Coach use the same evaluators at each tryout.

U- 15 and above travel teams are by invitation only. The invitees will be selected by a delegate appointed by the MYBA Board of Directors (typically the Morton High School Varsity Baseball coach). It is expected that the teams at the U-15 level and above will consist of 12 – 14 players.

 - ii. Less than 9 players try out for a given age group. For example, in Mustang league, if twenty 9 year olds try out but only eight 10 year olds try out you must have a single U10 team. In this scenario, the coach of the older age

group will become head coach of the team with the coach of the younger age group becoming an assistant coach.

- F. All players of a given age must play with their respective age group (no “playing up”). The exception to this would be if there is only one travel team for a given league either due to lack of coaches or players trying out (see prior bullet point). In this scenario, the team can be comprised of players from either age group within that league. Under no circumstances will a player be allowed to play up into another league (i.e. 12 year old playing up on the U14 team).
