

## Waimak United Football Player Development Program

The player development program is designed to coach individual technical football skills. Players will be assessed at one of three levels at the beginning of the program and will receive a certificate at the completion of the program showing where they are at with their skill development.

The program is suited to those players who want an extra training session per week and to identify where their individual skills are at, AND players who do not play football and want to learn these skills.

This program will run all year round. The winter terms (2&3) will run for 6 weeks at a cost of \$30. The summer terms (1&4) will run for 8 weeks at a cost of \$40. Each session is 1 hour in length.

For Term 3 the program will be based at Kendall Park on a Wednesday and Dudley Park on a Thursday. There will be 2 age groups: Shooters (5-8 year olds) and Strikers (9-12 year olds).

Term 3 begins Wednesday 11th/Thursday 12th August and run through to Wednesday 15th/Thursday 16th September. Shooters will run from 4pm - 5pm. Strikers will run from 5:15pm - 6:15pm

The program will be coached by the Waimak United Program Development Officer Fraser Gauld. In order to keep groups small he may be assisted by senior/youth players.
