I DO NOT SEE ANY COACHING CLINICS IN MY AREA

The coaching clinic season for Levels 1-3 officially runs from September 1 to December 31. Level 4 clinics are typically held from April to August with some districts holding them as late as September/October. A current list of clinics can be found by clicking here:

<http://www.usahockey.com/viewallclinics.aspx>

If you don't see one near you right away, continue to check the website as clinic instructors add clinics on a weekly, if not daily basis. Most clinics have been held by the end of November or beginning of December. If you do not see one in your area, you may need to travel to a neighboring state to locate a clinic before the end of the calendar year or the start of the next clinic season. Clinics are posted by clinic instructors at their discretion. Please contact your District Coach in Chief for more information.
