

WELCOME!

to the 2010 Webster Xtreme Softball Tournament

Welcome to the 9th Annual Webster Xtreme Girls Softball Tournament. It is our pleasure to once again host this event .

This Tournament is planned and implemented with a 100% volunteer workforce. Please be considerate to our volunteers.

This year we are hosting 36 teams from all over the northeast and Canada. Great competition and team sportswomanship should make for a fun and exciting event. As hosts, our goal is your satisfaction.

The tournament tent located adjacent to the Ridge Park concession stand is manned throughout the tournament. Should you have any questions or concerns, please visit the tent and we will do our best help you

You can expect to be greeted by a friendly and helpful group of volunteers. For your convenience, we have a shuttle service from the parking lots to move equipment and or those with disabilities. Our concession stand is open throughout the weekend serving icecream, hots, hamburgers, pizza, soda, water, etc.. Rest room facilities are present, as well as a playground for younger siblings. Our new pavillion in the center of the “Quad” is a great place to seek relief from the sun.

All fields are groomed and lined before the beginning of each round of play. Scores and team standings will be posted on the north side of the concession stand. Scores will be updated as each round of play is completed. Seeding for elimination play will be available after 9PM Saturday evening on our “hot line” 585-234-9486. We also hope to have results posted on our website 'www.waasoftball.com'.

While in Webster, make sure you visit our sponsors for a great meal or some other service these great supporters of girls softball provide.

Thank you to all those who make this tournament the success it continues to be. This includes all the participants and fans that travel many miles, along with our local surrounding town teams who provide great competition. Thank you to all the dedicated volunteers who help year after year and who represent our community with pride and great satisfaction. Thanks to Rochester District Umpire Association as our game officials.

Good Luck to all teams. Let's play ball and have some fun!

Carl Bellanca President WAA Girls Softball
