Contingency Plan 1 – If Fri Major League Playoff games are rained out

If Friday games are rained out Major League playoffs will move to Saturday.

- Major League Round 1 and 2 games will be shortened to 1 ½ hours.
 - No inning can start later than 1 hour 30 min after start; hard stop at 1 hour, 45 min. If inning isn't completed game reverts to score at last full inning. If still tied, score reverts to prior inning, and so on. If a winner cannot be determined this way International Tie-Break rules will apply (begin inning with one out and player on 2nd base). Format continues until a winner is declared.
