Who is NLGH?

The Northern Lights Girls Hockey program is committed to supporting the development of young women as athletes, leaders, and members of society through a competitive hockey environment that instills life values such as teamwork, sportsmanship, a consistent work ethic, and respect for self and others.

NLGH 2nd Annual Golf Tournament & Dinner

Last year, we had over 80 golfers and supporters in attendance and raised \$6,000 towards our efforts of on and off-ice skills development. This year, we are hoping to raise \$10,000 so that we can continue our efforts to stabilize tuition costs and continue to raise awareness and value of female sports programs.
