

11th Annual Jerry Dunnack Invitational Tournament

Sunday March 4th, 2018 7:15am – 12:00pm**

MARK EDWARD FREITAS ICE FORUM, UNIVERSITY OF CONNECTICUT
509 STADIUM ROAD - STORRS, CT

The Jerry Dunnack "Tournament" is an end of year celebration tournament for the youngest of players – Learn to Skate program kids – for players with little to no hockey experience.

The tournament format will be double cross ice, 5 on 5 (4 plus goalie), round-robin style with all bench activity in the neutral ice area. All teams will play each other if possible however there will be no scores kept or tournament champion declared in lieu of a fun, learning environment with other "teams". We are hoping for a visit from "Pucky" the CT Whale mascot, "Sonar" from the Hartford Wolfpack or Jonathan the UCONN mascot.

We will have a minimum of (4) 20-25 minute, continuous clock games per entered team with shift horns every 2 minutes. No team will be asked to play more than 2 games in a row without a break. The games will be coaches' ice style with coaches on ice working with positioning and situations. ALL coaches **MUST** have skates and helmets to be on the ice with their team. "Officials" will be older hockey players; however, they will not be enforcing penalties.

The fee for each team is \$370. Each player participant will receive a participation trophy.

*** Times are an approximation and may change based on the number of teams participating. We will try our best to stay within this timeline!*

Please submit a check payable to NEYHA and bottom portion by Feb 3, 2018 to:
