

Coach Registration and Background Check

- All Connecticut Junior Soccer Association (CJSA) clubs are moving to a new computer system for managing player and coach registrations called Stack Sports
- As part of this move, all background checks will be done differently going forward. In order to coach a team for Clinton Youth Soccer (rec and travel), you will need to register to be a coach within the Clinton Stack Sports system. Separate registrations will need to be done for coaching rec and volunteering for travel if you do both, however, most of the data will pre-populate when you do the second registration, and your background check will remain with you throughout multiple registrations.
- This help guide will walk you through the registration process, which will register you to be allowed to be placed on a CJSA roster, as well as collect your information/approval to perform the mandatory background check.
- If you received an email from Clinton Youth Soccer for a specific registration link, please click on that to begin registration. If you have not received an email and are proactively registering, please head to <http://clinton.cjsalive.org>. Click on the top right 'Member Login', and use the Help Guide for the rest of the process.

- (4) If you are taken directly to the Registration screens, go to the next step in this guide. In some cases, you may be taken to your Member Home page. If this happens, click Register Now, and then select from the Coaches/Volunteers for either Rec or Travel. ** If you are registering for both, you will eventually need to click on both of these. Select one for now.

**** Please note: Registering in this system to coach for Travel does not guarantee a position will be available. ****

- (5) Select the person to Register. If the coach was not the person to create the account, click Someone else... and you will be able to fill out their information shortly.

- (6) Select Coaches Pool and click Continue to Registration Information
