Financial Hardship Application for the WHK 2016/207 season

The standard tuition plan calls for tuition bills to be paid in full by Sept 1st. By filling out this application you are stating you cannot meet this obligation.

Please explain your need for a Financial Hardship.

The WHK Financial Hardship Committee will review your explanation when considering this application for approval.

PLEASE BE ADVISED Playing any other hockey affiliation other than WHK Youth Hockey in 2016/2017 will automatically void this application for financial hardship consideration and all outstanding tuitions will be due. In addition the following conditions apply:

- If the family is found to have additional family members participating in other select programs, consisting of substantially higher tuition, while under this financial hardship agreement, your player will be temporarily suspended from all activities under WHK Youth Hockey until full payment of tuition is received.
- If a player is found playing for another Hockey affiliation while under this financial hardship agreement such player will be temporarily suspended from all activities under WHK Youth Hockey until full payment of tuition is received.

In order to be considered for a financial hardship, you must have already paid a substantial portion of your tuition for the current year. We will not finance a significant portion of the tuition for any player. Approval of a financial hardship DOES NOT negate the \$50 per month fee for any month that any amount is outstanding beyond September 1st.

Your Name: _____ Players Name _____

Signature: _____ Date: / /

The WHK Hardship committee will review this application and reserves the right to approve or decline this application.

*****Send this form to PO Box 61, Hanson, MA 02341 PRIOR to September 1, 2016 in order to be considered*****
