

WHK Youth Hockey Association
Whitman, Hanson, Kingston, Halifax and Plympton

May 2018

Dear Friend of WHK Hockey;

As you may know, the WHK Youth Hockey association is comprised of dedicated volunteers that take pride in teaching our children skill development, physical fitness, self-confidence, goal setting, self-esteem and team work through the sport of hockey.

We were named the Program of the Year in 2013 for both the Yankee Conference and the South Shore Conference. In addition, Massachusetts Youth Hockey recognized WHK Hockey as their 2012 Program of Year in all of Massachusetts Youth Hockey.

I am writing to see if your organization would be interested making a donation this year to our program. Our program is a 501(c)(3) organization (Tax ID number 22-2854470). Your sponsorship is of great importance to our members as this helps us keep the costs of the program affordable.

For the 2018/2019 season we are offering the following sponsorship opportunities:

- 1.) WHK PROGRAM SPONSOR (\$200.00):** A PROGRAM SPONSOR will be listed in the WHK Newsletter which reaches our roughly 250 members as well as a link and company logo banner on the WHK web site.
- 2.) WHK TEAM SPONSOR (\$300.00):** A TEAM SPONSOR will receive a Team Photo of the Team they will be sponsoring. They will also be listed in the WHK Newsletter as well as a link and company logo banner on the rolling banner on the home page for the WHK web site.

Sponsor's Information

Business or Company _____

Business or Company Address _____
