Annually prior to the start of the hockey season, Braintree Youth Hockey is responsible to notify all families of children that participate in the South Shore Conference, advising them rule of 19.

Braintree Youth Hockey is responsible for the behavior of the spectators from their town. If the spectators get unruly or abusive during a game, it is up to the discretion of the referee to stop the game and determine who is at fault. If it can be determined whom or what town is at fault they shall forfeit the game. If it cannot be determined who is at fault or it is unsafe to continue the game, it will be stopped and the Disciplinary Committee will make a decision.

- A) The SSC will establish a discipline committee to investigate and conduct a hearing if appropriate, concerning any major incident involving a spectator or parent. An officer of the SSC will chair the Discipline Committee. The discipline committee will be comprised of three members of the Executive board and two program directors on a rotating monthly basis.

A major incident shall be defined as, but not limited to, the use of obscene or vulgar language, verbal, physical abuse, taunting of players, coaches, officials and throwing of objects in the viewing area, team benches, or ice surface, etc.

When a major incident on the ice rink property used by the SSC involving a parent or spectator is brought to the attention of the SSC Executive Board by rink officials, ice officials (referees/time keepers), incident reports or other programs, the affected program will be notified by the SSC President or designee.

The program(s) will then have 48 hrs. to respond with a recommendation for discipline to the chairperson of the disciplinary committee. The program will identify everyone involved. If the program's action is deemed acceptable, no further action shall be taken. If the chairperson of the disciplinary committee deems the program's recommendation unacceptable and/or inadequate, the individuals involved will be immediately suspended from all South Shore Conference activities until the incident is resolved. The Disciplinary Committee shall convene to investigate the incident and to hold a hearing within one week. All parties involved in major incidents shall attend the disciplinary hearing.

Braintree Youth Hockey strives to project a positive image and give the kids an opportunity to play a great sport. It is imperative that all parents and spectators conduct themselves in an appropriate manner. Keep in mind our actions are being watched by our children. Please set a good example and conduct yourself in a manner that reflects positively on your child and program.

Thank You,
Braintree Youth Hockey
