INTRODUCTION

The Westport Soccer Association (WSA) is a community organization that sponsors youth soccer activity emphasizing fun, fair play and sportsmanship. Our mission is to enhance every participant's enjoyment of their soccer experience. To better achieve this goal, we are outlining a Code of Conduct for all of the parents, coaches and players involved in Westport Soccer.

The Code of Conduct is a written contract between the parents, players and coaches to abide by the rules and regulations of the game as well as maintain a cooperative attitude and uphold the ideals of fair play and sportsmanship. This contract is more than just paper; it is the essence of our goals and objectives and thus, adherence to it is of primary importance.

Children who wish to play on teams sanctioned by WSA, and their parents are required to agree and sign this Code of Conduct.

MAINTAINING A POSITIVE ATTITUDE

Players, coaches and parents are expected to show a positive, respectful attitude for everyone involved in the sport. Criticism and disrespect for officials, opponents, coaches or fans undermines the purpose of sport and brings into the game stresses beyond the competition. It contributes to behavior not in keeping with the spirit of the game.

SETTING A GOOD EXAMPLE

Each person associated with the WSA is accountable for his/her own behavior at all times around the field of play. Parents, coaches and other adults should remember that children are mimics and it is up to you to set good examples and to not tolerate those who do not.

The WSA will not tolerate conduct which is detrimental to the sport, the participant or the community. Such conduct includes: vulgarity by coaches, players or parents; harassment or belittling of officials, coaches or players; physical violence or the threat of physical violence toward anyone before, during or after a match; verbal abuse directed toward anyone before, during or after a match; and the taunting of opposing players, coaches and parents. We require the utmost self-restraint on the part of players and especially adults.

In addition, violent play, rowdy behavior, verbal abuse, assault or similar behavior by any team sponsored by WSA will not be tolerated and will be dealt with in accordance with the WSA, Connecticut Junior Soccer Association (CJSA) and USSF rules and regulations.

Sometimes, Westport travel teams participate in events outside of the area. Players, coaches and parents behavior at hotels, motels, restaurants and airports should be such that it does not discredit, dishonor or create a negative impressions of the WSA.

A GOOD RELATIONSHIP

The Officials

On a soccer field, the referee is the symbol of authority and often the target of criticism. The referee's job is a difficult one and all referees are human and do make mistakes. Anytime you feel your team is being treated unfairly or you have an unqualified referee, talk to your coach after the game. Coaches are asked to tell the Director of Referees about problems that occur with officials.

In accordance with FIFA laws, verbal abuse towards referees could result in a red card and ejection for the player, coach or parent. Referees have the authority to suspend play if a coach does not control his players and parents (supporters).

The Coach

The primary responsibility of the coach is to coach and teach children the game of soccer. However, he/she is also responsible for the team's supporters and parents should not expect coaches to police the sidelines. Positive support for the team and coaches is encouraged. The WSA prides itself on the excellent sportsmanship of its teams and parents.

The Opponents

Players and coaches are required to maintain a sense of fair play and be respectful of opposing players, coaches and fans at all times. Any action which can be deemed disrespectful will be punished under the guidelines of the violations section of this Code of Conduct.

Sportsmanship begins with respect. Without opponents to play, the positive competitive environment which can be a perfect classroom for the participant to learn the values of sport is completely undermined.

VIOLATIONS OF THE CODE OF CONDUCT

Currently, the CJSA guidelines, in conjunction with the Westport Code of Conduct, set a minimum standard of discipline that is expected of players, coaches and spectators. Westport, in an effort to be a leader in this very difficult area, will set its own, tougher standards with respect to several key situations (i.e., ejections for fighting, dissent and/or verbal abuse). It is up to ALL of us and players, coaches, parents and

administrators and to ensure that these types of bad sportsmanship do not occur.
 Any questions or disputes concerning the violations of this Code of Conduct as listed below can be brought before the WSA Executive Board or its full board.

CONCLUSION

The purpose of sport is to provide a competitive, learning environment to teach all participants the values of teamwork, cooperation and sportsmanship. Soccer is just one sport which offers this type of environment for our children. We still can be competitive without crossing the line of decent behavior, keeping in mind that our children will follow our example. We should act accordingly.

We expect that parents agree to abide by the rules and regulations stated herein and that they are bound to all decisions and impositions of these rules. It is with the spirit of cooperation, for the betterment of soccer and your family that we all willingly abide by this contract.
