*\*By December 14*

The Fargo Soccer Club is offering a Winter 2010 clinic that will run from January 6 through February 24 for boys and girls that will enter Kindergarten in Fall 2010. Players will practice and play twice a week, learning specific soccer skills.

**Registration:** Registration is only online at [www.fargosoccer.org](http://www.fargosoccer.org). Uniforms are \$38/child\* from the Fargo Soccer Club and may be reused in future seasons or re-sold. Uniforms consist of a reversible jersey, soccer shorts and soccer socks.

**Other equipment:** Every player is expected to come to every session with soccer shin guards (\$10-\$20), size 3 soccer ball (\$10-\$20), uniform and water bottle.

**Location:** MetroRec Center in Fargo.

Soccer is a great introductory team sport because it involves basic motor and cognitive skills. It is great exercise. It is a way to play with other kids at the pre-school level, make friends and have fun. No scores or standings are kept.

**Register at [www.fargosoccer.org](http://www.fargosoccer.org).**

The program starts January 6. Games and practices are limited to 60 minutes. Coaching is done by licensed coaches and veteran parent coaches.

For more information, contact Matt Noah @ 701.282.9344 or [matt@fargosoccer.org](mailto:matt@fargosoccer.org).

\*\$49 if paid by December 14, \$65 afterwards. Each child must have a \$38 uniform from the Fargo Soccer Club. Total program cost is \$87. The Fargo Soccer Club is a member of the Soccer Association for Youth (SAY) and is fully insured. You may purchase a custom FSC soccer ball from the club for \$15.
