Tournament Rules of Conduct

Tournament Committee, participating coaches, referees, parents and spectators; we are responsible to create a safe, enjoyable and competitive atmosphere that makes the game fun for all of the players. Therefore, the following Tournament Rules of Conduct have been instituted. The backbone of these rules is the FIFA rules with specific interpretations unique to this Tournament.

1. Interference by spectators: All spectators must be positioned on the opposite side of the field from both teams during the match. The Tournament considers encouraging of violent play, foul language, intimidation or un-sportsmanlike behavior from a spectator as interfering with a game. If a spectator interferes with a game in progress, the referee has the discretionary power to stop, suspend, or terminate the game. The Tournament expects the coaches to stop any interference from their teams' spectators. In the event that the referee terminates the game, the Tournament Director will decide the outcome of the game.
2. Player receiving a yellow card: If a player receives a yellow card from a referee, the player does not have to leave the game. Two yellow cards within the same game equal a red card.
3. Player receiving a Red Card or multiple yellow cards: If a player receives a red card or two yellow cards within a game, the player is ejected from the game, and cannot play in the next game including any playoff game. A second ejection of the same player results in ejection from the Tournament.
4. Coaches Conduct: The tournament considers the coach to be the role model for the team and expects the coach and other team officials to conduct themselves in a responsible manner. The tournament considers the following to be examples of inappropriate behavior:
 - Challenging referees decisions
 - Encouraging violent play
 - Un-sportsman like behavior towards players, coaches, referees Tournament officials or spectators

Any coach who has been expelled from a game by a referee will not be allowed to coach for the remainder of the Tournament.

5. Coach's Box: Coaches must remain within the confines of the technical area, and must conduct themselves in a responsible manner. The tournament considers the technical area to be 3 yards to the left and right and two yards in front of the team's assigned bench area.
6. All decisions made during the game by the referee on rules of the game are final. Protesting referee decisions on rules of the game will not be accepted.
7. Protests other than referee calls on rules of the game must be communicated in writing to the Tournament Director within two (2) hours of the match in question. The Directors will decide all protests. The Director's decision is final.

All teams/players will be covered by USYSA insurance at the time we participate in this tournament. A full Ocean State Soccer School general medical release form will be completed for each player prior to participation in the Tournament.
