

OCEAN STATE SOCCER

Thank you for participating in Ocean State Soccer school's (OSSS) 5th annual Golf tournament. OSSS is celebrating its 25th year of teaching young children how to play soccer in a non-competitive and fun environment. Our philosophy of fairness and fun has been central to the success of OSSS. Starting in 1983 with 60 children, the OSSS family has grown to the largest youth soccer organization in the state with over 1,200 players from more than a dozen towns. OSSS provides a variety of soccer activities including recreational leagues, travel club teams, referee development programs, clinics and summer camps.

Another key element in the growth of OSSS is the sponsorship and support from individuals, community leaders, and businesses. This assistance enables OSSS to offer our programs at an affordable cost to the families in our communities and to build and maintain first-class facilities. OSSS plans to build on the success of the last 25 years to provide world-class soccer development programs that enable the children of our communities the opportunity to reach their maximum potential for enjoyment and growth through the game of soccer. We are very appreciative of the many ways individuals contribute to OSSS, including participation in events such as our golf tournament. Thank you for your generous support!!
