

Shrewsbury Youth Hockey Sponsorship Program 2016

The Shrewsbury Youth Hockey Association (SYHA) is a non-profit, youth oriented organization, established in 1973 - designed to develop standards of good citizenship, sportsmanship, and respect in an environment that will build healthy bodies and strong minds.

We rely on volunteers and donations to keep registration fees as reasonable as possible. SYHA ice costs, skill development sessions and league fees run in excess of \$300,000 each season with each family incurring on average of \$1,500 in personal expenses for each participant.
