### **HOME FIELD RESPONSIBILITIES**

It is the responsibility of the **organization** upon whose field the game is being played to ensure that the field is ready for play. In most instances, this will be the home team, but in some cases it may not. For example, when Team A plays Team B at Organization C’s field, it is the responsibility of

Organization C to ensure that the field is ready for play. "Ready for play" means that the field is: lined, substitution area is marked, and goals are in position with game quality nets, and field corners must be marked with soft/flexible cones, pylons or flags.

### **SCORE AND TIME KEEPING**

Every coach should be provided with a stopwatch. Each team should provide a volunteer scorer-timekeeper to stand behind the substitution area. By mutual agreement, one scorer-timekeeper should keep the time. Both should keep the score, and consult with each other after each score to make sure that they are in agreement.

It is their responsibility to keep the score and the time, and not the referees.

### **STANDINGS FOR MIDDIES, JUNIOR AND SENIOR LEAGUE ONLY**
