FEES

For the second year there is no increase to the registration fee. The Frankfort Baseball board is committed to keeping fees reasonable while producing a great program and maintaining outstanding fields. We are able to do this because of our volunteers and the fund raising raffle. Each player from Shetland to Pony league is required to sell at least \$50 worth of raffle tickets. This is mandatory for each player, no exception. This is our one and only fundraiser. Hopefully players will sell out their entire book.

We have increased the refundable volunteer fee to \$50 per family. This fee is refundable at the end of season if you complete a volunteer responsibility. There will be many opportunities to volunteer throughout the season. Frankfort Baseball runs because of our dedicated volunteers. We invite all families to donate at least 2 hours to make our program successful. Check out our website to view volunteer opportunities. Our volunteer coordinator will be notifying our members of various opportunities before and during the 2010 season.
