# Recapping 2017-2018

## *Another Spectacular Season*

- **Continued 15 week season**
- **Fewer defaults and in-season issues**
- **Most successful PFI Tournament to date; which included two separate D3 flights (an East and a West) due to significant demand at that level.**
- **Last year added three new teams and two new clubs**

# League Configuration 2018-2019

- **We are retaining the 15 match schedule**
- **Now at six divisions with 16 teams each, a seventh division with 15 teams, and a new eighth division comprised of 6 teams**
- **First matches will be on Sat., Oct. 13th. The schedule this season will include matches on Dec. 22nd and will end on Feb. 3rd. We culminate the season with the PFI on Sat., Feb. 9th**
- **Promotion and relegation will remain at three teams**
- **Maximum matches per player will stay at 17.**
- **Minimum matches for a frozen player will remain at 4**

# Spirit of the League Rule – Our North Star

## 1. Spirit of the League:

- a) *All Players, Captains, Managers, Coaches, Referees, Board Members, and anyone otherwise associated with any League match, tournament or event, will be expected to abide by the "Spirit of the League", which is guided by the following Mission: "The purpose of the FCPTL is to increase the awareness, participation and enjoyment of healthy and friendly competition between clubs, teams, and associations throughout Fairfield County, CT."*
- b) *It is expected that the aforementioned categories of persons will conduct themselves at all times with the utmost regard for the Spirit of the League, fair play, good sportsmanship, civil communications, integrity, and respect for their teammates and opponents.*
- c) *Any participant in the League can expect to be treated in a like manner by any other participant, especially concerning matters of the League and friendly competition.*
- d) *In most cases, as long as a match has been contested by all parties in good faith, the Board will prefer to let the results of the match take precedence over any post-match technical loopholes. The Board takes a very dim view of protests deemed to be a nuisance and without merit, and especially of those intended to cause harm to any affected party.*

# Guidelines 2018 – 2019

**We have a key rule change that impacts D2 particularly, and that is the elimination of pros' ability to play in D2.**

## **Rule 3.c Player Eligibility-Pros:**

*Up to two Pro's (non-members) that are on staff at a given club may play subject to the following restrictions. A Pro becomes Eligible after approval by the FCPTL Board. Clubs must e-mail a list of Pro's that are on staff to the Board at least one week before the first match of the season. The Board will then confirm which Pro's are Eligible Pro's. Eligible **PROS CAN ONLY PLAY IN DIVISION 1**. In addition, only one Pro can be in the line-up for any team on a given Saturday.*
