

TOPSoccer FAQs

1. My child has registered for previous seasons. Do we need to register again?

Yes. Records need to be updated for each season even if the information is the same.

2. To whom should my check be made out to?

TOPS Soccer or Trumbull United.

3. What equipment does my child need?

Sneakers will typically be sufficient. Plastic cleats are fine if you feel your child needs the extra traction. Shin guards are not required. As the players move up the ranks you may want to consider it based on how active they are. Indoor (see below) play requires sneakers.

4. What happens if it is raining or it is wet?

Communication will be sent to all registered emails on our system. We attempt to utilize inSports so we can play indoors. Sometimes we will move the session back or forward 30 - 60 minutes based on facility availability. If the facility is unavailable we will cancel for the week.
