2014 Morton Heat Classic Tournament

Thank you to all the 6th Grade Girls teams that participated in the 2014 Morton Heat Classic. With "Winter Storm Ion" threatening to wreak havoc on the last day of the tournament, only the hardiest teams showed up on Sunday to finish the tournament. The tournament bracket was revised on the final day to fill in for the missing teams and Morton defeated Mt. Zion for Championship honors. Mt. Zion certainly earned the respect from all with their determined play and their willingness to face the elements to become a better basketball team. Congrats to both teams and to all the girls that made the 2014 All-Tournament Teams:
