

Morton Heat Program Day

Sunday, October 26th

The Morton Basketball Association will be hosting Program Day for all Morton Heat Players and their families on Sunday, October 26th, 2013, at Morton Jr. High School, beginning at 5pm. Program Day is designed to celebrate the Morton Heat Program by introducing the players and coaches to the community and officially kick off the new season. It is a great opportunity for our younger players to interact with the veteran players as well as their new teammates.

We will take team, individual and program pictures, officially introduce all of our teams and players, have the kids participate in a few fun events and will have a couple special guest speakers that the kids should benefit from. Pictures and introductions will take place in the first 90 minutes.

Coaches and representatives from the Morton Basketball Association will be present to answer any questions that you may have and we will be passing out program information and game schedules for everyone.

We hope that you can come join us on the 26th to celebrate the 2014-15 Morton Heat teams and launch the new season!
