

05/06/2014

Fanfest recap. Fields were in bad shape but worked on them to get it ready. Kids had fun. Ran long on time because only one field was available. Food made \$572. Snack Shack made \$533. Apparel sales totaled \$3,205. Need to look for another event to have an apparel sale. Maybe age divisions can have end-of-year gatherings.

Baseball day at Yale. 25 to 30 sat in a section. Invited Yale back for 3 hours turf time at NYA.

Pitch, hit, and run. Not as many kids as expected. Maybe have it another date? Fanfest?

Group flight night. June.

New England Regional fundraisers are ongoing.

Travel tryouts are taking place. Emails from upset parents with complaints about tryout process. Some think there may be parent collusions.

Travel uniform fittings. Thursday night from at least 5:30 PM to 9:00 PM. All but 13 and 18 divisions. Parents should know to bring forms with them. If buying extras, need to buy them that night preferably by check. Let Kym know in advance if someone can't make it. Division directors need to know how to handle uniform number uniqueness.

We have exited I-84 and Route 84. Andy was approached to run a summer league for Cal Ripken. Danbury, Bethel, New Canaan, New Fairfield on board. Bridgeport is entering teams, too. [Discussion about the various summer leagues.]

Travel scheduling meeting is 5/18/2014 in ETH. Meeting will be broken up to avoid confusion of a massive meeting.

Travel meeting for 8-year-old parents tonight. Explain "friendship tournament".

Picture day went smoothly. No complaints and raised some money.

Need to confirm registration numbers because NBR is paying usage fees. Travel uniform is similar. Jersey is new manufacturer. Manager, two assistants are paid for.

Glander porta-potties were dumped over. Bleachers and garbage, too.
