

# 2017 Conduct Policy Letter

---

This policy letter from the Danville Little League (DLL) Board of Directors provides information and expectations about conduct and states the current process for dealing with misconduct. The standards for conduct are stated in the Official Regulations and Playing Rules and policies of Little League Baseball™ and the policies defined by Little League CA District 57, and in the DLL Code of Conduct.

**It is the responsibility of all Little League managers, coaches, umpires, officials, parents, fans and players to know this information.**

## Danville Little League Mission Statement

“The mission of Danville Little League is to provide quality baseball experiences to Danville youth in a safe environment that balances integrity, respect, competition, fun and fair play.”

## Conduct Committee

Each year a Conduct Committee (CC) is appointed by the League President for that year to inform DLL participants of what is expected and recommend corrective actions. When any conduct related problem is brought to the attention of any league official the League President and Division Director should be notified and the following process will be used to understand the situation and to make a recommendation for possible action.

1. CC, Division Director and League President are all notified immediately. Until the situation is understood, and an outcome decided, all communication is confidential to this group.
2. The President and Chairperson of the CC will decide how to investigate and all findings are reported to the CC and League President. When the CC is satisfied it has all the information deemed necessary the CC will develop a recommended course of action, and the CC Chairperson will deliver the recommendation to the League President.
3. League President will decide upon final action, if any, and how it is to be communicated to all parties. If any action is taken the entire process and outcome may be recorded in writing for the League's own official use.

CC members shall not have conflicts of interest with any situation or person under review. Anyone with a conflict will be replaced by appointment by the League President, or the League VP if the President is conflicted.

**It is important to know the following.**

1. Little League rules state after a game begins the umpires are **solely in charge** of the field, the game, and everyone participating in said game, until it is officially concluded.
2. **Managers**, not umpires, are solely responsible for the behavior of all fans and spectators.
3. Proper conduct is required at **all** Little League events and fields, not just during a game.

4. Action may be taken by the CC regardless of whether an umpire did or did not make a ruling during a game (such as a warning or ejection). Such CC action will not replace or modify the umpire's previous call.

### **Little League Regulation XIV (a) – Field Decorum**

“The actions of players, managers, coaches, umpires and league officials must be above reproach. Any player, manager, coach, umpire or league representative who is involved in a verbal or physical altercation, or an incident of unsportsmanlike conduct, at the game site or any other Little League activity, is subject to disciplinary action by the Local League Board of Director.” (Please read the Official Regulations and Playing Rules for the complete text of Regulation XIV and other related rules)

### **Little League CA District 57 policy letter (#5) on disruptive spectators**

When in the opinion of the game umpire, Umpire in Chief or member of DLL Board of Directors, at a league game (regular or post-season), a spectator or other non-participant is disrupting the progress of a game, either by verbal or other offensive conduct, the UIC shall call both team's managers to a conference on the field in full view of all participants and spectators. At that conference the UIC or Board member shall advise the managers that the game will not continue if the offending conduct continues. The managers will be given an opportunity to address such persons present as is appropriate in the managers' opinion.

If the offensive conduct is not discontinued, or resumes later during the game, the UIC or Board member shall once again summon the managers to a conference on the field, and shall advise the managers that the game will be suspended until the offending non-participant leaves the vicinity of the playing field. (This may incorporate an entire public park, or such an area as, in the opinion of the UIC or Board member, is appropriate to ensure that the game may be resumed without disruption.)

If the offending non-participant refuses to leave, the game shall be suspended. The protest committee in charge of the division in which the game was held shall determine whether one or both teams shall suffer forfeiture as a result of the suspension, or whether the game shall be replayed from the point at which it was suspended. If the offending non-participant is determined by the committee to have been affiliated with one of the teams playing in the game, that fact may be considered in the decision of the protest committee. Such determination shall be final and no appeal may be taken from the determination of the protest committee.

NOTE: This policy is directed at non-participants who disrupt games or render the atmosphere of competition unwholesome due to unacceptable conduct
