REGISTRATION PAYMENT POLICY

(Pg 10 of handbook)

Payment for registration fees must be made by check (personal, cashier or money order) or credit card (Visa/MasterCard) at the time of registration. As NMAHA is a non-profit organization, all fees collected are NON-REFUNDABLE, and if for any reason your child cannot participate, all collected fees will be considered a donation.

All players must have registered **and** paid the applicable fee with USA Hockey (on-line), **prior** to registering with NMAHA. The receipt for the payment of the USA Hockey dues **must be** presented at any in-person registration for NMAHA.

There are two options for making payment of the applicable NMAHA fees.

1. A player may either pay the registration fee in full on registration day, or
2. A player may pay half of the amount due on registration day, with the balance remaining to be paid within 30 days thereafter.

Please check our web-site (<http://www.NMAHA.org>) for additional registration requirements, documentation, and pay options.

(cont. pg 11)

Any registration by a returning player made after registration day, but before the start of the season, must be paid in full. The last day registrations will be accepted, for returning players is November 16th. New registrants are welcome at any time in the Rec Program. Late registration will NOT receive any pro-rated discounts.

No player will be allowed to register until any outstanding balance from the previous season is paid in full. Additionally, no player will be allowed on the ice, for practice or games, after November 1st until all registration fees are paid in full, unless special arrangements have been made in advance and approved by the Board. NMAHA has a strict “NO PAY, NO PLAY” policy.

NMAHA will attempt to accommodate prospective participants. Therefore, the NMAHA Board reserves the right to make exceptions upon written request in extenuating circumstances.
