WBS Financial Aid Policy

Woodbury Baseball and Softball wants to be sure that every child in our community, regardless of family financial status, is afforded the opportunity to play baseball or softball in our program.

Financial aid can be provided by request or recommendation. For a child to receive a waiver or reduction of registration and/or uniform fees, Community Services or similar agency must provide written documentation supporting the necessity. Absent additional circumstances, a child enrolled in the free/reduced school lunch program will be considered to have met the qualifications for a waiver or reduction.

To request or recommend consideration for financial aid, submit a note (including the name or names of the players) with a copy of the free / reduced school lunch confirmation or other supporting documentation from Community Services via email to treasurer@woodburybaseballandsoftball.org

For timely consideration, the request should be submitted no later than March 1 for the Spring Season or August 15 for the Fall Season.
