

LIABILITY FOR USE OF SCHOOL FACILITIES

Neither the Board of Education nor the Town of Hebron can be responsible for injury to persons or their property while the building or grounds are used by any group.

Groups, as required by the Principal or his/her designee and the Director of Operations, not included under the Regional School District No. 8 Board Education's Blanket Liability Insurance coverage, will be required to furnish evidence of insurance coverage meeting the Town's requirement for Personal Injury and Property Damage Single Limit Liability (\$1,000,000). In addition, the Regional School District No. 8 Board of Education is to be named as an Additional Insured and a Certificate of Insurance will be required to be filed with the original request.

The applicant organization must assume all legal responsibility for the function and remains the liable party.

For hazardous activities, the applicant organization will be required to furnish a special policy for the event meeting the Town's requirement of Personal Injury and Property Damage Single Limit Liability (\$1,000,000) and must provide the Board of Education with a Certificate of Insurance naming the Board of Education as an Additional Insured.

Any activities which are specifically excluded by the Board of Education insurance policies are prohibited.

The applicant organization contracting for use of the building/grounds will agree to indemnify the Regional School District No. 8 Board of Education for any damage to the school property/grounds or equipment by any person or persons attending the activity.

Any group found abusing school property or failing to comply with any requirement of the policy may be faced with immediate termination of their activity and/or denial of future use of the facilities.

I have read and agree to abide by Board of Education policies and procedures as detailed in the attachments.
