

Safety Do's and Don'ts

Manager Responsibilities include:

1. All Volunteer Forms/Background checks are completed prior to official practice. (Includes Manager and Roster Coaches)
2. Ensure that team/parents understand and adhere to all Little League rules
3. Ensure all equipment, including bats, meets Little League standards.
4. Ensure the players and coaches understand on deck batters are NOT permitted.
5. Ask parents about all medical conditions that may impact player safety. Discuss and agree to a plan of action.
6. Ensure a first aid kit is always present at practices and games. Chris Lewis can issue additional supplies if needed. Ice packs also available in snack stand.
7. Make contact with site director prior to each game.
8. Inspect fields for safety prior to practice and games. Contact Pete Leszczak (203-401-1994) or Tony Vuolo (203-650-0073) with concerns
9. Regularly inspect equipment for safety. Chris Lewis is your contact for repair or replacement. chrislewis33@yahoo.com
10. All accidents are immediately reported to Safety Officer (Tony Vuolo). OLL holds secondary insurance coverage. All accident forms must be filled out ASAP and handed to Tony Vuolo. Copies available at <http://www.littleleague.org/Asset161580.aspx>

Other good practices include:

1. Ascertain if any coaches or parents on your roster are CPR/First Aid Trained.
2. Have knowledge of the use and location of AED devices in snack stands.
3. Familiarize yourself with signs and symptoms of concussions.
4. Consider use of face guards on helmets
5. Consider use of helmet while pitching
6. All emergency numbers are posted in the snack stands.
