Dear Business Owner:

Although there is snow on the ground and the wind chill is near zero Little League Baseball is around the corner.

The Orange Little League has been a mainstay in the community since the 1960's. As volunteer's, we teach the merits and benefits of teamwork, competition, and sport to roughly 400 boys and girls each year that range in age from 6 to 13.

We could not continue to provide a wholesome, memorable experience for the youth of Orange without a partnership with the businesses that operate in our community. We are about to begin the 2017 season with our tryouts scheduled in early March. We would like to take this time to ask you to consider being a sponsor of our program and help support the boys and girls of our community.

Our sponsor's advertising is seen by thousands of people each year who visit our complex and website. Your contributions are used for uniforms, equipment, field maintenance, coach and player training and much more. With the help of our business partners we have been able to bring top quality baseball and softball programs to children Of Orange; one that we believe not only teaches the skills of the game, but also helps develop leadership and social skills in our young people.

If you have any questions or would like to discuss your participation In greater detail please contact Frank Lee at flee224@gmail.com or (203) 641-4320.
