Softball Overview

Our 2018 softball season will once again see us working under the leadership of Orange Little League - with teams comprised of players from the Towns of Bethany, Orange, and Woodbridge combined.

The year will consist of three seasons: Regular, Post, and Fall. Games and practices will officially be scheduled beginning the week of April 23, 2018 and end the week of June 4, 2018. All teams will play approx. 12 games during the regular season with games being held in Orange at Old Tavern Fields OT2 and Stankye, in Woodbridge at Center Fields 1 and 2, and in Milford, West Haven, and Hamden – please check your schedules for field assignments carefully! In addition to your *team's* games and practices, we are proud to once again offer a complimentary softball clinic: this year's clinic will be coordinated through USA Elite Training– this free clinic will take place at Stankye Field during the months of April and May...exact details coming soon!

Post season play will begin the first week of July. Depending on your player's age and level, Post season play will require either a try-out or invitation to play; Post season play is not guaranteed! Your coach will have more information regarding Post Season play as it gets closer.

Fall Ball will take place in the months of September and October; more information will follow!
