

2009 Parent Consent and Agreement Contract
South Jeff Midget Baseball Umpire Program

By submitting this Consent and Agreement Contract, I acknowledge and agree that I release and hold South Jeff Sports harmless from any claims arising out of any of the activities connected South Jeff Sports and South Jeff Midget Baseball activities.

I and my child understand that only those that have successfully finished the 2 session umpire training class will be eligible to officiate games for South Jeff Midget Baseball. I understand that each child will be classified by experience and age to one of two umpire pools – Senior or Junior and that these pools will determine games that can officiated. An example is that an 8 YO midget game must have at least one senior umpire while the other may be a junior umpire.

I understand that there may be limited opportunities to umpire based on your child’s schedule and that we will be unable to attempt any game scheduling changes to increase games on behalf of your child.

I understand and agree to the following:

1. It is my responsibility to assure that my child is at the assigned field at least 15 minutes before game time and that my child will be picked up or have arrangements for any after game activities
2. It is my responsibility to notify the South Jeff Umpire organization using current notification procedures in the event that your child will be unable to officiate the game or games assigned.
3. It is my responsibility to attend games my child officiates where possible.
4. It is my responsibility to assure my child follows the official dress code for Midget Umpires

Failure to abide by these rules may result in your child being dismissed from the umpire pool for 2009.
