

Dear Neighbor,

The Milford Youth Basketball League (MYBL) needs your help! The league is in need of sponsors from our local business community to help defray operational costs and keep the cost of playing in the league affordable for every student of Milford schools who want to participate. Your donation will help us provide an experience the players will remember for the rest of their lives and will promote your business to over 500 people every Sunday morning from the beginning of December through the end of March '11. In addition, a link to your company's website will be a part of the league website, orchardhillshoops.com. Our website will have games results, division standings, and will be the hub of communication between the league and all of our coaches, players, and players' families, which gives your company the chance to grow even more.

Enclosed with this letter is a form with our different sponsorship levels. If you have any questions, please feel free to give me a call. On behalf of the players and coaches of the MYBL, thank you for your support and I look forward to seeing you at a game!

Respectfully,
