

Draft Rules:

1. We use a "Snake Draft", picks go 1 through last in 1st round and last to 1st in next round and keeps rotating.
2. Manager's first kid does not go into the draft, if there are sisters they are the 1st round pick, and so on if more.
3. Assistant kid is the last pick in the draft for the team. This is done so that every team starts in the 1st round, unless there are more than 2 coaches kids, if there are more, the third kid is put in the first round, and so on if more kids.
4. Cannot pick a third Lightning(Softball and Basketball)/ Club(Volleyball) player until the 3rd round in the draft.
Example: team 1 has 2 Lightning/Club players as kids of coaches; they cannot pick another until the 3rd round. This is done so the coach that has no Lightning/Club players will have the opportunity to draft them in the first 2 rounds in order to try to equal out the teams.
5. Sisters go in subsequent rounds.
Example: team picks "Susie" in round 3 and she has a sister, the sister is the teams 4th round pick.
6. Only one coach is allowed at the draft table.
7. Grade levels will be split equally amongst the teams.
Example: we have 100 7/8th graders total, 60 7th and 40 8th. We will have 10 teams with 10 players, each team having 6 7th graders and 4 8th graders.
8. The comments are there just as a wish list.
Example: "Susie" has to play with "Jill" for car pooling, if you want to pick Jill after you pick Susie you can but is it not mandatory, nor should any coach not pick Jill because they do not have Susie.
9. This is not a complete list, we will deal with other issues as they arise and the OYA Board will make the final decisions.
