

Moorestown Crew
Open Minutes
August 5, 2015

Present: Kathy Zielinski, Eric Williams, Joe Roman, Kathleen O'Sullivan, Rich Henderson, Chuck Gross, Kahra Buss, Laura Lee Malesh, Heather McCollough

Absent: Peter Bowman

Guests: Dave Hartshorne, Scott Snyder

July Minutes

- Heather made a motion to approve July's open and closed minutes. Kahra seconded the motion. July's minutes were approved.

Summer Camps

- Rich reported summer camp went well. 54 kids attended camp. The "end of the week lunches" were a success again this summer and Rich recommended we continue incorporating them into the summer camp program.
- Rich recommended that we add t-shirt size to the registration section.
- Rich did an excellent job making and distributing videos of the campers in action.
- The following lunches were provided: 1 large and 1 small tray of hoagie sandwiches, fruit, chips, ice pops, donuts, water bottle, (5) 2 liter bottles of soda, lemonade, and diet soda. We also provided few tables.
The 2nd week, pizza was provided instead of hoagies. Estimated 2 slices per rower and added 10 extra people to account for parents and siblings. Lunch was served at 11:15am. *pizza was not able to be delivered this early.

Fall Registration

- Fall registration will open August 6th.
- Eric will investigate the procedure and the requirements for athlete physicals and required health forms.
- Kahra reported the banner will go up 8/6

Guests

- Dave Hartshorne and Scott Snyder will head the tent set up committee for the spring season.

Fall Season

- The board discussed fall regatta days. It was suggested that one tent be on hand for set up as well as smaller tables.
- Coordination of fall regatta days will be done by board members whose kids are rowing in the fall. Sign Up Genius is an excellent tool and will be used to make food (and supply) assignments from week to week.

Equipment

- Chuck reported that he will spearhead the Blade Painting Project. He also reported that he will finalize the design for the blades.
- Boat trailers are being stored at Chuck's office location. The food trailer is being stored at 3001 Erwin Rd.
- Rich requested the board consider purchasing an iPad mini for the purpose of creating videos and using them as a teaching tool. Coach's Eye is the name of the software. This allows the coach to manage, edit, share, compare, etc. videos. It allows slow motion precise recording, voice over, telestration tools, etc.
- Fees/prices: \$448-ipad mini 2, 64 gigs with Wi-Fi and 4G; \$120/yr subscription Coach's Eye VIP, 5 device access.
The following **MOTION** was made by Eric and seconded by Kahra. Purchase the Coach's Eye software for \$120/yrly membership. **MOTION** passed

Meeting adjourned at 8:25pm
