To All Parents:

As you all know, I have taken great pride over my years as president of 3 & 2 to keep the 3 & 2 program a family program. Unfortunately this year we have had a few problems and I want to address them quickly to resolve them. We have recently had two break-ins of cars during the early games and as a result, I have decided to go back to the parking pass program that we had a few years ago. The reason is that we would have an individual on the gate checking who comes in and out of the park. Each child would have two passes to give to his parents and everybody else will be charged \$2.00 per car. I'm not looking at this as a way to raise money but mainly it is a way to control who comes in and out of our park and to make sure that nobody comes in there that doesn't have a real purpose to be at our park.

In addition we had a couple instances where our bathroom doors have been damaged. I think that this is basically a problem of the young kids running around and I have instructed my officer of the day to take a hard look at this and make sure that there are no kids playing in the restrooms. I would also ask you parents for your help in that regard. The problem has been to the door that separates the men's and women's restrooms and if anybody sees anybody doing damage to that door, I would appreciate it if they would notify the officer on duty that night. In addition I will ask him to try to marshal the parking lot to the best of his ability. Also if any parent sees anybody running around the cars in the parking lot during the games, I would appreciate it if they would notify the office of the day immediately so can try to put an immediate stop to this.

As all of you know, the safety of all of our fans and friends of 3 & 2 is paramount to me. This is your program and I will do everything possible to insure the safety and security of everyone. Please excuse any inconvenience that this might cause. Thank you.

John J. Hager
President of K.C. MO. 3 & 2 Baseball
