

## **Lawrence Hockey Association Payment Policy**

To participate in tryouts for a Travel Team a player must register and submit payment. Tryout fees are non-refundable. Any player with an outstanding tuition balance from a prior season (with any AAHA member organization) will not be allowed to tryout or register with an LHA team until their outstanding debt is paid or satisfactory payment arrangements have been made with the association's board.

At the end of tryouts, players offered a roster spot must register online to accept their roster spot. If the roster spot is not accepted within 48 hours, we reserve the right to offer the roster spot to another participant. Acceptance of the roster spot requires payment of at least \$500.

After being offered a roster spot players have the option of paying the registration fee in full at the time of the roster spot offer, making an initial payment of \$500 and setting up a monthly payment plan or splitting into two (2) payments - 50% due at the acceptance of the roster spot and the balance due no later than September 30th for Midgets and December 31<sup>st</sup> for Mites through Bantams.

Any player with an outstanding balance after the payment deadline will not be permitted to participate in practices, scrimmages, games or other events until their balance is paid. We reserve the right to add a player to the AAHA Delinquent Financial Obligation list that is circulated to all AAHA member organizations prior to tryouts for the next season.

LHA accepts check, Visa, MasterCard, Discover or American Express as payment. All discounts will be applied to final bills.

Payment address:

**Lawrence Hockey Association P.O. Box 6488 Lawrenceville, NJ 08648**
