

Shoreline Sharks 2009 Questionnaire

Our organization runs completely by volunteers. It is our intention to run the best program possible, by developing players to their full potential, successfully compete in the CGHL and provide a positive experience for each player. As we continue to grow we are taking a look at ourselves, and want to know how we can improve. For the 2009-2010 season, we have already assembled a coaching selection committee and are developing coaching guidelines. We want to take this opportunity to ask the member families how we are doing. Please take a few minutes to complete this questionnaire. It can be returned by email to: shorelinesharkshockey@comcast.net or you may drop it into the drop off box at the banquet.

How does the program support the development of player skills? _____ excellent
_____ good _____ needs improvement

How can we better support skill development?

Practice time: _____ too much _____ just enough _____ too little

Games: _____ too many _____ just enough _____ too few

Would you support a move to have more games and practices at East Haven even if it meant less attractive ice times such as practices at 8:00 PM?

Does our on line credit card payment system help you budget and balance payments?

How did your team do, of balancing equal playing time and adjusting to live game situations that require line up adjustments? _____ Excellent

_____ OK _____ Not well at all

Comments? _____

What do we do well?

What can we improve on?

Level your child competed in this past year: _____
