The McKinney Ice Hockey Club believes that youth hockey teaches players valuable life lessons including discipline, hard work, teamwork, respect, sportsmanship, confidence, and community involvement, while growing strong young men and women. We feel we continue to build these traits in the youth that participate in our organization.

Through your charitable contributions, MIHC, as a non-profit 501(c)(3) organization, will continue to grow strong young men and women in our community. Your contributions will help us by offsetting costs associated with ice rental for games and practices, pay for game officials and scorekeepers, pay for professional coaching of these young players, and more importantly for scholarships to players that are not as fortunate financially but still want to play the game of hockey.

As a partner with MIHC we will do our best to make sure you are recognized and appreciated for your giving support!

Corporate Partnership Guide

McKinney Ice Hockey Club **History**

The McKinney Ice Hockey Club (MIHC) was founded in 1996 as part of the 12-team Metroplex High School Hockey League. In 1998, SBC (now AT&T) became involved as the governing body, and the league has continued to grow over the years.

In 1997, McKinney Independent School District granted MIHC permission to represent the district and use its colors, although it does not sponsor the club, and club members do not use any school facilities.

In 2005, MIHC joined the North Texas Hockey League as well, so players have an opportunity to compete in both competitive travel and high school leagues with the same team for a lower cost. In 2007, MIHC expanded to include Squirt through Bantams, with the Squirts winning both the regular season and post season championships in the "B" division.

In 2009, MIHC will be adding a Mite Development Program with aspirations of continuing to build the program from youth to high school.
