Greivance/Resolution Form

This grievance/resolution form has been put in place in an effort to address any complaint filed against the WMS Athletic Booster Club in a fair, impartial and objective manner. It is our goal as the WMS Athletic Booster Club to protect and guide all student athletes and coaches while providing them a safe and fair environment to participate in Middle School Sports.

Please note that all concerns and/or complaints should FIRST go to the coach directly associated with the sport in concern. If this does not resolve the situation, the concern should be taken to the commissioner of the sport (if there is one in place). If this still does not resolve the

issue, then and only then should the concern be taken to the WMS Athlectic Booster Club Board. All concerns must be in WRITING using the appropriate form.

****** AT NO TIME SHOULD ANY CONCERN BE TAKEN TO THE WMS PRINCIPAL AND/OR the UCPS SCHOOL BOARD/SUPERINTENDENT.**

Once a concern has been received by the WMS-ABC, it will be reviewed and investigated. At this time, you will be notified by the BOARD as to our plan of action. The WMS-ABC reserves a two week period for processing.

****** ALL DECISIONS MADE BY THE BOARD WILL BE CONSIDERED FINAL !**

Thank you,

The WMS-ABC Board
