

U.S. Youth Soccer's  
Kohl's American Cup - Massachusetts

The Kohl's US Youth Soccer American Cup provides recreational youth soccer players an opportunity to experience a consistent and high quality statewide tournament in a fun, family-like atmosphere. It fosters stimulation and excitement about soccer in an effort to increase the recreational players interest in and love for the game.

We want the recreational player to feel special and have fun! The Kohl's American Cup can achieve this by providing recreational players with the opportunity to participate in an original event outside of their normal league play. The American Cup gives State Associations another benefit to bring even more service to current members and a tool to use in increasing membership enrollment. More than 65 Kohl's American Cup events are scheduled nationwide.
